

## ArtWorks is for Everyone!

Welcome to Artworks Granite Belt website. We hope you take some time to get to know the Artworks organisation.

Our aims include providing a place where everyone in our community can feel valued and safe. We seek to encourage artisans and artists by showcasing their work and hosting groups and opportunities for them to develop their skills and network with others of like interests.

In order to achieve these goals, we need funds to keep the facility in good order. These are raised through our Station Café, through fees and commissions on sales and by applying for grants.

We offer many opportunities to become involved in Artworks by becoming a volunteer. Currently our volunteers run the Café, maintain the buildings and gardens and provide their special skills where needed, your participation as a volunteer will be appreciated should you have the inclination.

Please feel free to enjoy our Station Café which is open from 9am to 2pm, Saturday and Sunday. There are weekly art groups on Tuesdays & Thursdays from 9am – 1pm as well and newcomers are most welcome.

We can keep you informed via our regular Newsletter which is available on the website and at our facility. If you would like to be on our mailing list for news and activities just send us your contact details, our email address and phone numbers are below.

Our members and supporters give us strength to continue with the valuable work that we do for the community.

Sincerely

Mary Findlay
